

Principal Pratt's
February 2017 Newsletter
for K5-5th graders

A Note from Mrs. Pratt

January was a busy month that flew by us.

With returning from Christmas break and settling in, plus a wonderful spirit week, we seem to be getting back into the swing of things.

We had an excellent on-site field trip called SCIENCE LIVE! for our second through fourth graders. They learned all about matter and had a blast!

Now as we move into February, remember to remind families and friends to check out GCS. Re-enrollment has started and is now all online. Spread the word and pray as our elementary program continues to grow.

Don't forget to spread the love this month & love your teachers and faculty. Remind them they are special and are appreciated!

Happy Valentine's Day!

Sincerely ~ Mrs. Pratt

Many of you have asked how you can help out on our PTF. Our PTF President is Mrs. Cathy Swindell. Feel free to contact her @ clswin57@gmail.com if you are interested in serving. This group helps bridge the gap between home & school.

Dates to Remember:

February 1 ~ Re-enrollment begins
February 3 - Progress Reports / K4 CDC Step Up Day to our K5
February 6 - K4 CDC Step Up Day to our K5
February 14 - Valentine's Fun in elementary classes
February 20 - No School / Presidents Day

Other Elementary News:

- ★ In the month of February, our school is having a cookie dough fundraiser. All information will be going out after the cookie dough assembly for students on February 2nd. If you have any questions regarding sales, feel free to contact Justin Garrell
- ★ February 9th our 4th & 5th graders will be having a Living Wax Museum in the Welcome Center. We are excited to see all kinds of historical figures 12:30-2:30.
